QUALIFICATIONS

- The qualifying equipment upgrades must be installed in a Minnesota commercial building served with natural gas from Great Plains Natural Gas Co. (Great Plains).
- Rebates are available only to commercial space heating boilers. Boilers for industrial processes are only available for rebate under Great Plains Custom Project rebate application.
- To qualify for the boiler tune-up it has to have been three years since your last tune-up.
- Contractors are not eligible to receive their customer's rebate.
- All equipment must be new to the boiler system. Replacement of existing equipment does not qualify.
- Equipment installed under warranty replacement does not qualify for the rebate.

APPLICATION REQUIREMENTS

- The rebate application form must be submitted within 90 days of installation date or postmarked by December 31 of the plan year whichever comes first.
- Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and btuh rating) and contractor information.
- Great Plains is unable to accept applications that do not include all this information.
- It is the responsibility of the contractor and purchaser to ensure that the installed equipment qualifies for the rebate.
- Mail completed application including a copy of the contractor sales invoice to:

Great Plains Natural Gas Co.
Attn: Market & Sales Support
400 North 4th Street
Bismarck, ND 58501

- If the equipment does not qualify, no rebate will be paid.
- If you have questions about completing this form please call 1-877-267-4764.

Enclose a copy of contractor invoice showing separate figures for any equipment, labor, and taxes.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Great Plains CIP rebate programs may be cancelled or changed at any time.

The rebate application form must be postmarked by December 31 of the plan year for the rebate to be processed. Rebates will not be paid if funds are depleted prior to December 31.

REBATE DETAILS

Rebate amounts will be issued for equipment installed between January 1 and December 31 of the plan year only. Great Plains issues rebates in the form of checks, not utility bill credits. Great Plains is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. Allow 4-6 weeks for rebate processing.
