QUALIFICATIONS

- The qualifying equipment must be installed in a residential Minnesota building served with natural gas from Great Plains Natural Gas Co. (Great Plains).
- Great Plains uses GAMA (Gas Appliance Manufacturers Association) listings to determine the efficiency of the equipment. You can access this information at www.ahrinet.org/Content/GAMAIBRCertification_581.aspx.
- Dealers are not eligible to receive their customer's rebate.
- Equipment installed under warranty replacement does not qualify for the rebate.

APPLICATION REQUIREMENTS

- The rebate application form must be submitted within 90 days of installation date or postmarked by December 31 of the plan year whichever comes first.
- Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and Energy Factor (EF) rating) and dealer information.
- Great Plains is unable to accept applications that do not include all this information.
- It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the rebate.
- Mail the completed application including a copy of the dealer invoice to:

**Great Plains Natural Gas Co.
Attn: Market & Sales Support
400 North 4th Street
Bismarck, ND 58501**

- If the equipment does not qualify, no rebate will be paid.
- If you have questions about completing this form please call 1-877-267-4764.

If the rebate is for water heating equipment, the customer must attach a copy of contractor invoice showing equipment amount (brand, model & Energy Factor (EF) rating), labor and taxes.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Great Plains CIP rebate programs may be cancelled or changed at any time.

The rebate application form must be postmarked by December 31 of the plan year for rebate to be processed. Rebates will not be paid if funds are depleted prior to December 31 of the plan year.

Federal tax credits are available form many qualifying energy efficiency improvements. For more information, visit www.energystar.gov.

REBATE DETAILS

Rebate amounts will be issued for equipment installed between January 1 and December 31 of the plan year only. Great Plains issues rebates in the form of checks, not utility bill credits. Great Plains is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. Allow 4-6 weeks for rebate processing.
