PAYMENT & BILLING

OPTIONS THAT FIT YOUR LIFESTYLE

Online Account Services

Go paperless

eBill & ePayment: Register for Online Account Services and select eBill as your bill delivery method. You'll receive a notification when your bill is ready to view. Then, login and submit an ePayment through your online account using funds from your checking account. It's quick, easy, and environmentally friendly.

Pay By Bank

It's automatic!

Take advantage of Great Plain's free automatic payment plan. Your preauthorized payment will be withdrawn from your checking account each month on your bill's due date. Get more information or enroll by logging into your account and completing the online form at www.gpng.com.

Balanced Billing

Levelize payments

Pay the same monthly amount throughout the year. Leveling your payments over the year can reduce cost fluctuations from extreme weather conditions when you have higher usage.

Balanced Billing is available to all residential customers that meet the program criteria.

Enroll by logging into your account online or contact Customer Service.

Credit/Debit Card Payments

Paymentus®

Make payments using your credit card, debit card, or electronic check through Paymentus®. Payments on Venmo, Amazon Pay, Apple Pay, Google Pay, Pay Pal, and Pay Pal Credit are also available. Call **833-425-1696** to pay by phone, or follow the link on the Payment Options page of our website to pay online.

Certain card restrictions apply. You must provide your 11-digit account number when paying. There is a \$1.89 fee per transaction for this independent service.
