

# **Save energy and water with a FREE low-flow shower head**

If you heat your water with natural gas, you may be eligible for a free low-flow shower head from Great Plains Natural Gas Co.

The shower is one of the top users of water in the home. With a low-flow shower head, you can slash water consumption by 50-70 percent, saving energy and money.

To apply for a free low-flow shower head, fill out the form and mail it to:

**Great Plains Natural Gas Co.

## Terms & Signature

I understand that the shower heads are limited and will be awarded to the applicants with the earliest date of application. I understand that I must use natural gas to heat my water and be a Great Plains Natural Gas customer in order to be eligible for the shower head. I understand that I cannot apply if I already have received a free shower head from Great Plains. Great Plains customers are eligible to receive a free shower head for each shower fixture in their home.
