\$50

Furnace/Boiler
Tune-Up Rebate

**KEEP THE
COLD OUT!**

Have your heating system ready for winter.

Great Plains residential customers are eligible for a

\$50

REBATE*

on a furnace or boiler tune-up performed by a qualified heating contractor.

Don't wait until cold weather is here before making sure your heating system is working properly. Preparing your heating system before winter will help you stay warm, cozy, and safe this heating season.

Furnace/boiler tune-ups performed by a licensed heating contractor will ensure that your heating system is running at maximum efficiency and ready to keep you warm when the weather turns cold.

For more information, visit

www.gpng.com/energy-efficiency/residential-incentive-programs.

*This program is available to Great Plains customers who have not received a furnace/boiler tune-up rebate from Great Plains in the past two years.
