SAFETY IS IN YOUR HANDS EVERY DIG, EVERY TIME

PLANNING A PROJECT?

Are you planting a tree, placing a mailbox, installing a fence or doing any other project that requires digging?

The first step to any project is safety!

There may be many utility lines buried on your property—electric, telephone, gas or propane, water, sewer, internet and cable TV. Damaging an

underground facility may cause injury or even death. Before you dig, **call 811** at least 48 hours in advance of your digging project to have these lines located.

These locates do not include any lines you may have installed to your private facilities (e.g., gas grills, detached garages, wells, yard lights, etc.).

WHAT DO THE MARKS AND COLORS IN MY YARD MEAN?

Red	Electric
Yellow	Gas-Oil-Steam
Orange	Communications
Blue	Water
Purple	Reclaimed Water
Green	Sewer
Pink	Temporary Survey Markings
White	Proposed Excavation

**SAFE DIGGING IS NO ACCIDENT:
 Always Contact 811 Before You Dig.

ENERGY ASSESSMENT

Minnesota residential natural gas customers

Great Plains Natural Gas residential customers in Minnesota may apply to have an energy assessment performed on their home for a cost of \$50.

A home energy assessment gives you a thorough picture of where your home is losing energy and how you can save money.

HOW THE PROGRAM WORKS:

- Fill out the application and send it to Great Plains.

- Great Plains will notify you if you are approved for an energy assessment.
- A third-party contractor will contact you to schedule the audit.
- Once the audit is complete, Great Plains will bill you \$50 for the assessment. Typically a home energy assessment can cost up to \$500.

The number of residential energy assessments available to natural

gas customers is limited, and assessments are approved in the order in which they are received.

TO APPLY FOR A HOME ENERGY ASSESSMENT, FILL OUT THE FORM BELOW AND MAIL IT TO:

Great Plains Natural Gas Co.
Attn: Energy Programs
400 N. Fourth St.
Bismarck, ND 58501

2026 RESIDENTIAL ENERGY ASSESSMENT APPLICATION FORM

Fill in all the fields below completely. Please note, rebate funds are limited, only apply to Minnesota customers, and will be paid on a first-come, first-served basis. This program ends December 31.

☐ \$60,480 - \$71,999	☐ \$72,000 - \$83,518	☐ \$83,519 - \$95,038
☐ \$95,039 - \$97,198	☐ \$97,199 - \$99,358	☐ \$99,359 & Over

Energy Assessment Request Agreement

I wish to have an energy assessment performed on my home. I understand that Great Plains Natural Gas Co. (Great Plains), through its Energy Conservation Optimization (ECO) Program, has a limited number of assessments available. The assessment will be performed by a state certified auditor contracted by Great Plains.

Upon receipt of the application it will be determined if there are assessments available and you will be notified whether or not an assessment will be performed on your home. If you are selected to have an assessment performed, the contractor will contact you to schedule the assessment. Assessments are awarded on a first come first served basis. Signing below gives Great Plains permission to provide one year of natural gas usage information to the contractor*.

☐ I would like an Energy Assessment performed on my home, and I understand that I will be billed \$50 for the Energy Assessment once completed. Missed appointments with the auditor may result in an additional \$50 charge for each occurrence.
