☐ \$95,039 - \$97,198

☐ \$97,199 - \$99,358

☐ \$99,359 & Over

Energy Assessment Request Agreement

I wish to have an energy assessment performed on my home. I understand that Great Plains Natural Gas Co. (Great Plains), through its Energy Conservation Optimization (ECO) Program, has a limited number of assessments available. The assessment will be performed by a state certified auditor contracted by Great Plains.

Upon receipt of the application it will be determined if there are assessments available and you will be notified whether or not an assessment will be performed on your home. If you are selected to have an assessment performed, the contractor will contact you to schedule the assessment. Assessments are awarded on a first come first served basis. Signing below gives Great Plains permission to provide one year of natural gas usage information to the contractor*.

I would like an Energy Assessment performed on my home, and I understand that I will be billed \$50 for the Energy Assessment once completed. Missed appointments with the auditor may result in an additional \$50 charge for each occurrence.
