## QUALIFICATIONS

- The qualifying equipment must be installed in a residential Minnesota building served with natural gas from Great Plains Natural Gas Co. (Great Plains).
- Great Plains uses ENERGY STAR or AHRI listings to determine the eligibility and efficiency of the water heating equipment. You can access this information at <https://www.energystar.gov> or <https://www.ahridirectory.org>.
- This rebate is available for new water heating equipment; used equipment does not qualify for the rebate.
- Dealers are not eligible to receive their customer's rebate.
- Equipment installed under warranty replacement does not qualify for the rebate.
- Customers are eligible to receive one low flow shower head for each shower located in the home. If a shower head has already been received, the customer will not be eligible for the program. The low flow shower head program is also available to multi-family dwellings.
- To be eligible for the free low flow showerhead, the residence must use natural gas for water heating.

## APPLICATION REQUIREMENTS

- The rebate application form must be submitted within 90 days of installation date or postmarked by December 31 of the plan year whichever comes first.
- Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and Uniform Energy Factor - UEF rating) and dealer information.
- Great Plains is unable to accept applications that do not include all this information.
- It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the rebate.
- If the equipment does not qualify, no rebate will be paid.
- If you have questions about completing this form please call 1-877-267-4764 or email [energyrebates@mdu.com](mailto:energyrebates@mdu.com)
- Mail the completed application including a copy of the dealer invoice to:

**Great Plains Natural Gas Co.**

**Attn: Energy Programs**

**400 North 4<sup>th</sup> Street**

**Bismarck, ND 58501**

**If the rebate is for water heating equipment, the customer must attach a copy of contractor invoice showing itemized figures for the equipment, labor and taxes.**

## REBATE DETAILS

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Great Plains ECO rebate programs may be cancelled or changed at any time.

The rebate application form must be postmarked by December 31 of the plan year for rebate to be processed. Rebates will not be paid if funds are depleted prior to December 31 of the plan year.

Rebate amounts will be issued for equipment installed between January 1 and December 31 of the plan year only. Great Plains issues rebates in the form of a check, not utility bill credits. Great Plains is not responsible if the dealer does not provide accurate information regarding the amount of the rebate or equipment eligibility. Allow 4-6 weeks for rebate processing.
